

2016 Montana High School Journalism Day

Thursday, April 14, 2015

We hope you and your students will join us for the 2016 Montana High School Journalism Day at the University of Montana in Missoula on Thursday, April 14th.

Here are some of the changes for this year's gathering:

- The MJEA Awards have been moved to the opening session of the day.
- Eleven workshop sessions designed exclusively for high school journalists and advisers and taught by UM journalism faculty.
- Enjoy pizza for lunch on the lawn outside Don Anderson Hall sponsored by the UM School of Journalism.
- High School students will have the opportunity to interact with UM journalism students at a new Student Project Roundtable.
- A special session with media law Prof. Lee Banville just for advisers.

We think we have a wonderful day planned for your student journalists.

Please help us out by returning the sign-up sheet by **Wednesday, April 6th**. It will help us with our planning for the day.

We hope you'll be a part of this year's picture!
